

Each lesson starts with a lecture on Zoom followed by playing several practice hands. Lessons notes are included.

Lebensohl with Mike Kammermayer

Sunday, October 17 - November 7 4 weeks 11am - 1 pm

Cost: \$90

The Lebensohl convention is an important tool to help you in the bidding. We will focus on 3 major uses of the convention: when the opponents interfere after your partner opens 1NT, after a reverse and when the opponents open a weak two bid and your partner doubles. Each week you will play several hands to practice what you have learned.

If you are interested in signing up for these classes please send an email to Darlene Scott indicating the lesson you wish to register for. You will receive a confirmation of registration once your e-transfer payment to: oakvilledarlene@gmail.com has been received.
